

# Animal

## Neon Trees

Here we go again  
I kinda want to be more than friends  
So take it easy on me  
I'm afraid you're never satisfied Here we go again  
We're sick like animals, we play pretend You're just a cannibal and I'm afraid I won't get out  
alive No, I won't sleep tonight  
Oh oh  
I want some more  
Oh oh  
What are you waiting for?  
Take a bite of my heart tonight  
Oh oh  
I want some more  
Oh oh  
What are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight. Here we are again  
I feel the chemicals kickin' in  
It's getting heavy and I want to run and hide  
I want to run and hide I do it every time  
You're killin' me now  
And I won't be denied by you, the animal inside of you. Oh oh  
I want some more  
Oh oh  
What are you waiting for?  
Take a bite of my heart tonight  
Oh oh  
I want some more  
Oh oh  
What are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight. Hush, hush, the world is quiet  
Hush, hush, we both can't fight it It's us that made this mess  
Why can't you understand?  
Whoa, I won't sleep tonight  
I won't sleep tonight  
Here we go again Oh oh  
I want some more  
Oh oh  
What are you waiting for?  
Take a bite of my heart tonight  
Oh oh I want some more

Oh oh  
What are you waiting for?  
What are you waiting for?  
What are you waiting?  
Here we go again, oh, oh Say goodbye to my heart tonight...  
Oh oh  
I want some more  
Oh oh  
What are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight.
