

# 5 Steps

## Dru Hill

I don't know how much longer  
You're going to be here  
So I say my prayers  
Every night  
One 4 my mother  
One 4 my father  
And one 4 the love of my life  
So if you decide to leave today  
Then leave tomorrow at the door  
And take only half of yesterday  
Forget all hope for the present  
Cause it just went away We were 5 steps  
From eternity  
4 steps  
4 steps past love  
And 3 wishes  
From touching the heavens above  
repeat chrous  
Another day is gone  
Another night now dawn  
Waiting patiently hoping you'll return  
But not before long  
Why'd you say goodbye  
I still feel your presence  
In my bed at night  
And what was reality once  
A love True in form  
Is now adding pain  
For all man's scorn  
Forced to wear the memories of pain  
Around an empty heart  
Now I sit in silence and begin to think  
As laughter echoes through the air  
I can't get you off my mind  
But a whole new love  
I could never bare  
So now I lay me  
Down to sleep  
And I pray my Lord my soul to keep  
And if I die, before I wake  
Then I promise I'll be there for you always  
We were 5 steps

From eternity  
4 steps  
4 steps past love  
And 3 wishes  
From touching to heavens above
