

# Europa Pools (feat. Kacy Hill)

## Cashmere Cat

When you're here, I am home  
But here won't last too long  
And hardest love is when you're gone, no  
When you're here, I am home  
But here won't last too long  
And hardest love is when you're gone, no  
Throw me "everything" when you, baby  
All your look at me is, never faze me  
Keep running back to the last stone  
And hazy, welcome me nights where my safety  
Tell me everything that you gave me  
Just swollen blankets of stars  
Take them away from me  
Keep running back to the last stone  
And hazy, welcome me nights where my safety
