

# Miracle

## Vertical Horizon

It's taken much too long to get it right  
Would it be so wrong to maybe find someone a miracle?  
And all you really need is everything you could never be  
And so you'd give it all for a miracle Is there a trace inside her face  
Of a lonely miracle?

And so you wait and lie awake  
For a lonely miracle You never really know, what it is  
Not until it goes and if it comes again, it's a miracle  
But what you miss is love, in everything below and up above  
And could she bring it all a miracle

Is there a trace inside her face  
Of a lonely miracle?

And so you wait and lie awake  
For a lonely miracle All you wanted was a  
All you needed was a miracle, a miracle  
And all you wanted was a

All you needed was a miracle, a miracle It's taken so long to get it right  
Could it be so wrong

To maybe find someone a miracle? Is there a trace inside her face  
Of a lonely miracle?

And so you wait and lie awake  
For a lonely miracle  
Is there a trace inside her face  
Of a lonely miracle?

And so you wait and lie awake  
For a lonely miracle, a miracle, a miracle
