

Miracle

Vertical Horizon

It's taken much too long to get it right
Would it be so wrong to maybe find someone a miracle?
And all you really need is everything you could never be
And so you'd give it all for a miracle Is there a trace inside her face
Of a lonely miracle?
And so you wait and lie awake
For a lonely miracle You never really know, what it is
Not until it goes and if it comes again, it's a miracle
But what you miss is love, in everything below and up above
And could she bring it all a miracle
Is there a trace inside her face
Of a lonely miracle?
And so you wait and lie awake
For a lonely miracle All you wanted was a
All you needed was a miracle, a miracle
And all you wanted was a
All you needed was a miracle, a miracle It's taken so long to get it right
Could it be so wrong
To maybe find someone a miracle? Is there a trace inside her face
Of a lonely miracle?
And so you wait and lie awake
For a lonely miracle
Is there a trace inside her face
Of a lonely miracle?
And so you wait and lie awake
For a lonely miracle, a miracle, a miracle
