No Doze... Baby girl we ain't goin nowhere so keep sippin on this Mo(Moet)
So cold... But I'mma keep it piping hot cause you comin out them clothes
Let me get you on

Cause your bedroom game is cold!
Let me get you on your toes,
Cause you know your body cold!
Cold, cold... Yeah, yeah, yeah
Bend your knees,
Baby bite yo lip and back it up for me,
Please baby baby please!
Go girl don't move to fast, slow motion for me
Now pop that for me!

Now twirk that, jerk that while I work that guaranteed that Im on mur(murder) that yea
Let me get you on yo toes,
Cause your bedroom game is cold!
Let me get you on yo toes,
Cause you know your body cold!
Cause that body cold... Yeah, yeah, yeah
