

# All of You

## Miles Davis & John Coltrane

I love the looks of you, the lure of you  
The sweet of you and the pure of you  
The eyes, the arms and the mouth of you  
The east, west, north and the south of you  
I'd love to gain complete control of you  
Handle even the heart and soul of you  
Love at least a small percent of me do  
Because I love all of you

I love the looks of you, the lure of you  
The sweet of you and the pure of you  
The eyes, arms and the mouth of you  
The east, west, north and that south of you  
I'd love to gain complete control of you  
And handle even the heart and soul of you  
Love at least a small percent of me do  
Because I, I love all of you  
[Incomprehensible]
