

Barely Breathing

Duncan Sheik

I know what you're doing
I see it all too clear
I only taste the saline when I kiss away your tears
You really had me going, wishing on a star
But the black holes that surround you are heavier by
far
I believed in your confusion, you were so completely torn
It must've been that yesterday was the day that I was born
There's not much to examine, there's nothing left to hide
You really can't be serious, you have to ask me why
I say goodbye...Cause I am barely breathing
And I can't find the air
Don't know who I am kidding
Imagining you care
And I could stand here waiting
A fool for another day
I don't suppose it's worth the price, you're worth the price
The price that I would pay
And everyone keeps asking, what's it all about?
I used to be so certain and I can't figure out
What is this attraction? I can only feel the pain
There's nothing left to reason and only you to blame
Will it ever change?Cause I am barely breathing
And I can't find the air
I don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
I don't suppose it's worth the price, you're worth the price
The price that I would pay
But I'm thinking it over anyway...
I'm thinking it over anyway
I've come to find
I may never know
Your changing mind
Is it friend or foe?
I rise above
Or sink below
With every time
You Come and go
Please don't come and go
Cause I am barely breathing
And I can't find the air
I don't know who I'm kidding

Imagining you care
And I could stand here waiting
A fool for another day
I don't suppose it's worth the price and you're worth the price
The price that I would pay
But I'm thinking it over anyway...
I'm thinking it over anyway...
And I know what you're doing
I see it all too clear
