

Sabbath Bloody Sabbath

Anthrax

(Originally by Black Sabbath) You've seen life through distorted eyes

You know you had to learn

The execution of your mind

You really had to turn

The race is run the book is read

The end begins to show

The truth is out, the lies are old

But you don't want to know

Nobody will ever let you know

When you ask the reasons why

They just tell you that you're on your own

Fill your head all full of lies The people who have crippled you

You want to see them burn

The gates of life have closed on you

And now there's just no return

You're wishing that the hands of doom

Could take your mind away

And you don't care if you don't see again

The light of day Nobody will ever let you know

When you ask the reasons why

They just tell you that you're on your own

Fill your head all full of lies

Where can you run to

What more can you do

No more tomorrow

Life is killing you

Dreams turn to nightmares

Heaven turns to hell

Burned out confusion

Nothing more to tell Everything around you

What's it coming to

God knows as your dog knows

Bog blast all of you

Sabbath Bloody Sabbath

Nothing more to do

Living just for dying

Dying just for you
