

# Merry Christmas Baby (feat. Brad Paisley)

Colbie Caillat

Mmm mmm mm  
Ou ou mmm  
Mmm mmm Merry Christmas, baby  
You surely treat me nice  
Merry Christmas, baby  
You surely treat me nice  
And feel just like I'm livin', livin' in paradise Now you see, I feel real good tonight  
Got music on the radio  
Yeah, I feel real good tonight  
Got music on the radio  
And feel like I wanna kiss you  
Underneath the mistletoe  
Now listen, Santa came down the chimney  
Half past three  
With lots of little presents for my baby and me Merry Christmas, baby  
You surely treat me nice  
And feel just like I'm livin', livin' in paradise Merry Christmas, baby  
Merry Christmas, baby Well now, Santa came down the chimney  
Half past three  
With lots of little presents for my baby and me Merry Christmas, baby  
You surely treat me nice  
And feel just like I'm livin', livin' in paradise  
Merry Christmas, baby  
Oh yeah, I said  
Merry Christmas, baby, yeah  
(Merry Christmas, baby) Merry Christmas, baby  
(Merry Christmas, baby)  
Oh, Merry Christmas, baby, yeah  
(Merry Christmas, baby)  
And feel just like I'm livin', livin' in paradise Merry Christmas, baby  
B-b-b-b-b, baby  
Merry Christmas, baby  
B-b-b-b-b, baby  
Merry Christmas, baby  
B-b-b-b-b, baby  
Merry Christmas, baby
