

All for You

Dr Jazz

Girl I wanna love you
I'll do anything for your love
Wanna be your favorite boy
I wanna show you love and some more
My friends and family
Testify that you and I are meant to be
Forever together
For richer and stronger
love language
I know that only you would understand me
When everybody else be thinking funny
You the only one I see who sees me
Where you are's where my heart is
I'm sure you know I'm all for you (I'm all for you baby)
If I had to go go go down
For your love I would do
If I had to sing it out loud
For your love I would do Ten years dey come I still dey here
Baby girl I no dey go
Twenty years go come I still dey here
Baby girl I no dey go
I'll do it all for you yeah
I wanna be your perfect man
I'll get it all for you
I just wanna be your perfect man
I know you love me and I'm sure you know I love you more
My Lady iwo ni kan
Iwo ni kan
Would you give me your love
That's all I want
I got no resistance at all
I'm gradually starting to resemble you (baby)
I think I know a little bit of singing
Would you mind a song before you go to bed
Sweetie mo and then I kiss your head
I would rather be with you than be with some friends
Cos when I'm with you girl I feel no stress
Soft and tender let me be your lover and defender
This is a love invasion
You got my full attention
What is it you need just mention it
I don't know the reason I just love you If I had to go go go down

For your love I would do
If I had to sing it out loud
For your love I would do Ten years dey come I still dey here
Baby girl I no dey go
Twenty years go come I still dey here
Baby girl I no dey go
I'll do it all for you yeah
I wanna be your perfect man
I'll get it all for you
I just wanna be your perfect man
I know you love me and I'm sure you know I love you more
My Lady iwo ni kan
Iwo ni kan**love language**
You and me will never be apart
They can never break us down
Come on baby it's on us now
We can make love all night
Things will never ever fall apart
Too many goodies here on my cart
If you ever have to leave take my heart
I go love you till the day why I depart Fifty years dey come I still dey here
As long as I never go
Hundred years go come I still dey here
As long as I never go
I do it all for you
Long as I never go
Girl I do it all for you (do it all for you)
Long as I never go
I never go I still dey here now (never go I still dey)
I'm gonna do it all for you baby
Dr Jazz for you (I still go dey here)
