

# Won't Go Home Without You

## Maroon 5

I asked her to stay  
But she wouldn't listen  
She left before I had the chance to say, oh  
The words that will mend  
the things that were broken  
And now it's far too late, she's gone away  
Every night you cry yourself to sleep  
thinking "why does this happen to me?"  
"Why does every moment have to be so hard?"  
Hard to believe it  
It's not over, tonight  
Just give me one more chance to make it right  
I may not make it through the night  
I won't go home without you  
The taste of her breath, I'll never get over  
The noises that she made kept me awake, ohh  
The weight of the things that remain unspoken  
Built up so much, it crushed us every day  
Every night you cry yourself to sleep  
thinking "why does this happen to me?"  
"Why does every moment have to be so hard?"  
Hard to believe it  
It's not over, tonight  
Just give me one more chance to make it right  
I may not make it through the night  
I won't go home without you  
ooohh...  
It's not over tonight  
Just give me one more chance to make it right  
I may not make it through the night  
I won't go home without you  
ooohh...  
Of all the things I've felt I've never really showed  
Perhaps the worst is that I never let you go  
I should not ever let you go  
It's not over tonight  
Just give me one more chance to make it right  
I may not make it through the night  
I won't go home without you  
ooohh...  
It's not over tonight  
Just give me one more chance to make it right  
I may not make it through the night  
I won't go home without you  
And I won't go home without you  
And I won't go home without you  
And I won't go home without you
