

# Nightswimming

R.E.M.

Nightswimming deserves a quiet night  
The photograph on the dashboard taken years ago  
Turned around backwards so the windshield shows  
Every street light reveals a picture in reverse  
Still its so much clearer  
I forgot my shirt at the water's edge  
The moon is low tonight  
Nightswimming deserves a quiet night  
I'm not sure all these people understand  
It's not like years ago  
The fear of getting caught  
The recklessness in water  
They cannot see me naked  
These things they go away  
Replaced by every day  
Nightswimming, remembering that night  
September's coming soon  
I'm pining for the moon  
And what if there were two  
Side by side in orbit around the fairest sun?  
That bright tight forever drum  
Could not describe nightswimming  
You, I thought I knew you  
You, I can not judge  
You, I thought you knew me  
This one laughing quietly  
Underneath my breath  
Nightswimming  
The photograph reflects  
Every street light a reminder  
Nightswimming  
Deserves a quiet night  
Deserves a quiet night
