

# Not Meant to Be

## Theory of a Deadman

It's never enough to say I'm sorry  
It's never enough to say I care  
But I'm caught between what you wanted from me  
And knowing if I give that to ya I might just disappear  
Nobody wins when everyone's losing  
It's like one step forward and two steps back  
No matter what I do you're always mad, and I, I can't change your mind  
It's like trying to turn around on a one way street  
I can't give you what you want and it's killing me  
And I, I'm starting to see  
Maybe we're not meant to be  
It's never enough to say I love you  
No it's never enough to say I try  
It's hard to believe that there's no way out for you and me  
It seems to be the story of our life  
Nobody wins when everyone's losing  
It's like one step forward and two steps back  
No matter what I do you're always mad, and I, I can't change your mind  
It's like trying to turn around on a one way street  
I can't give you what you want and it's killing me  
And I, I'm starting to see  
Maybe we're not meant to be  
There's still time to turn this around  
Should we be building this up instead of tearing it down  
But I keep thinking maybe it's too late  
It's like one step forward and two steps back  
No matter what I do you're always mad, and I, I can't change your mind  
It's like trying to turn around on a one way street  
I can't give you what you want and it's killing me  
And I, I finally see  
Baby we're not meant to be  
It's like one step forward and two steps back  
No matter what I do you're always mad, and I  
Baby I'm sorry to see  
Maybe we're not meant to be
