

Bohemian Grove

Emmure

Now they wanna talk about coming clean
Give up the ghost, give up the dream
I hear them screaming beyond the trees Now they wanna talk about coming clean
Give up the ghost, give up the dream
I hear them screaming beyond the trees They're screaming
Why? What have I done?
Slow burns their lungs
What have I done? What have I done?
Father, won't you save me?
What have I done? What have I done?
Father, won't you save me?
What have I done? What have I done?
Father, won't you save me?
What have I done? What have I done? Burn down the bohemian grove
They got a secret they don't want you to know
Burn down the bohemian grove
I can hear them screaming, father, no What have I done?
What have I done? What have I done?
Father, won't you save me?
What have I done? What have I done?
Father, won't you save me?
What have I done? What have I done?
Father, won't you save me?
What have I done? What have I done?
