

# Ice Cream Girl (feat. Wyclef Jean)

Sean Kingston

Ice cream girl Give me an ice cream girl for the weekend  
The kinda of girl she built for any season  
For the winter, for the fall  
Even in the summertime there's no fall You want an ice cream girl for the weekend  
A pocket full of dough you gonna blow on the weekend  
Young, fresh and clean, know what I mean?  
Everybody knows a fiend that loves the ice cream My rum raisin', she drunk in the club  
Pistachio a nut, she always boosting  
She got a man, he's always shooting  
And her daddy left her when she was eighteen  
Do whatever for a hit, I seen her pawn her jewelry  
Rowdy, rowdy, she the life of the party  
She's in that Limousine  
Look like something from a magazine  
She's such a beauty queen  
Got me spending all my cream Give me an ice cream girl for the weekend  
The kind of girl she built for any season  
For the winter, for the fall  
Even in the summertime there's no fall You want an ice cream girl for the weekend  
A pocket full of dough you gonna blow on the weekend  
Young, fresh and clean know what I mean  
Everybody knows a fiend that loves the ice cream Once upon a time, let's go back to the scene  
She was the prom queen and you were the prom king  
Pinky, swear that you'll never separate  
'Cause you was the draft pick for the NBA  
I used to worry 'bout your best friend  
I don't trust nobody named Frosty, The Snow Man  
Frosty wore a wire  
Now ice cream man is up in Riker He reminisce about the Limousine  
Look like something from a magazine  
She's such a beauty queen  
Had him spending all his cream Give me an ice cream man for the weekend  
Body toned up and ready for the beaches  
Young, fresh and clean, know what I mean?  
Everybody knows a fiend that loves the ice cream You want an ice cream girl for the weekend  
A pocket full of dough you gonna blow on the weekend  
Young, fresh and clean, know what I mean?  
Everybody knows a fiend that loves the ice cream D.E.A. they knock on the door  
I don't know what they knocking for  
Ain't no ice cream up in here  
Ain't no ice cream up in here, yeah I used to stand on the block, I used to hear pop, pop  
Another lad got popped in the ice cream shop

It's an ice cream war out here  
We got an ice cream war out here, talk to meHurry, hurry, hurry, Mr. Ambulance, hurry  
'Cause them kids in the club  
And they OD'd on some cookies and cream  
And now they sipping on the sizzurp, sizzurp, sizzurp, si-si-si-sizzurpI tried to warn him but he  
didn't wanna listen  
So he woke up in the same place in the same position  
Like Pookie from New Jack City your body getting cold turkey  
Your mind is getting so worried your head is spinning so dizzyHe reminisce about the  
Limousine  
Look like something from a magazine  
She's such a beauty queen  
Had him spending all his creamGive me an ice cream man for the weekend  
Body toned up and ready for the beaches  
Young, fresh and clean, know what I mean?  
Everybody knows a fiend that loves the ice creamYou want an ice cream girl for the weekend  
A pocketful of dough you gonna blow on the weekend  
Young, fresh and clean, know what I mean?  
Everybody knows a fiend that loves the ice creamFor the love of the ice cream, one man, ice  
cream girl  
They incarcerated him for the ice cream  
He will never get the chance to see  
His daughter eating ice cream, woah, IGive me an ice cream girl for the weekend  
The kind of girl, she built for any season  
For the winter, for the fall  
Even in the summertime there's no fallGive me an ice cream man for the weekend  
Body toned up and ready for the beaches  
Young, fresh and clean, know what I mean?  
Everybody knows a fiend that loves the ice creamIce cream girl, ice cream girl, ice cream girl
