Ways To Go (Captain Cuts Remix)

Grouplove

I didn't ask for that
You give me heart attack
I didn't want to care
And then I saw you there
Been working like a dog
I turned all my dreams off
I didn't know my name

I didn't know my name(I got a little bit longer) I got a ways to go
(I got a little bit longer) I got a ways to go

(Oh I got a little bit longer) I got a ways to go-oh-oh

Whoa oh oh (I got a ways to go)

Even when I can't see my rear view

Even if I call just to hear you

Even when I sleep all day

Even when I sleep all day

Even if I wasn't like I'm times two

Living in the back of a bunk just like we do

Even when I dream all dayDon't wanna sleep tonight

You've got me feeling right

I didn't know my name

I didn't know my name(I got a little bit longer) I got a ways to go

(I got a little bit longer) I got a ways to go

(Oh I got a little bit longer) I got a ways to go-oh-oh

Whoa oh oh (I got a ways to go)

Even when I can't see my rear view

Even if I call just to hear you

Even when I sleep all day

Even when I sleep all day

Even if I wasn't like I'm times two

Living in the back of a bunk just like we do

Even when I dream all day

Even when I dream all day(Oh I got a little bit longer) I got a ways to go-oh-oh

Whoa oh ohEven if I smoke in the back room

Even if I go right to meet you

Even when I sleep all day

Even when I sleep all day

Even if I wasn't like I'm times two

Waiting for the day just to end so I see you

Even when I dream all day

Even when I dream all day
