

# Movin On (Radio Edit)

Ian Van Dahl

I think the time has come  
To say goodbye to you  
No, I won't take you backoh cause I know  
About those other girls  
Baby ooooh Oooh does it hurt You can't have me now  
You can't bring me down  
Oooh And your words They will tumble down, They won't bring me down And all the words  
you put into my head  
I thought you loved me But you lied to me instead  
My eyes are open and I'm moving on tonight  
I still remember all the things you've said  
I thought you loved me But you lied to me instead  
My eyes are open and I'm moving on tonight Tonight I'm moving on I'm moving ahead Ooh and  
the words  
They can't hurt me now  
Cause I know they can't bring me down  
Tonight I'm moving on I'm moving ahead  
And all the words you put into my head  
I thought you loved me But you lied to me instead  
My eyes are open and I'm moving on tonight  
I still remember all the things you've said  
I thought you loved me But you lied to me instead  
My eyes are open and I'm moving on tonight  
Tonight I'm moving on I'm moving ahead  
Tonight I'm moving on I'm moving ahead  
Tonight I'm moving on I'm moving ahead I'm moving
