

I Do

Westlife

I Do Tell me can you feel my heart beat
Tell me as I kneel down at your feet
I knew there would come a time
When these two hearts would entwine
Just put your hand in mine
Forever
For so long I have been an island
When no-one could ever reach these shores
And we've got a whole lifetime to share
And I always be there
Darling this I swear
So please believe me
For these words I say are true
And don't deny me
A lifetime loving you
And if you ask will I be true
Do I give my all to you
Then I will say I do I'm ready to begin this journey
Well I'm with you with every step you take
And we've got a whole lifetime to share
And I'll always be there
Darling this I swear So please believe me
For these words I say are true
And don't deny me
A lifetime loving you
If you ask will I be true
Then I will say I do
Bridge
Come on just take my hand
Oh come on lets make a stand for our love
But I know this is hard to believe
So please So please believe me
For these words I say are true
And don't deny me
A lifetime loving you
And if you ask will I be true
Do I give my all to you
If you ask if I'll be true
Do I give my all to you
Then I will say I do
