Whatcha Say (Acoustic Version)

Jason Derulo

Wha-wha-wha-what did she say?

Mmh whatcha say

Mmh that you only meant well?

Well, of course you did

Mmh whatcha say (Jason Derulo)

Mmh that it's all for the best?

Of course it is I was so wrong for so long

Only tryin' to please myself (Myself)

Girl I was caught up in her lust

When I don't really want no one elseSo no, I know I should of treated you better

But me and you were meant to last forever

So let me in (let me in) give me another chance (another chance)

To really be your man

'Cause when the roof cave in and the truth came out

I just didn't know what to do

But when I become a star we'll be living so large
