

# Believe (Club Mix)

## Crystal Waters & Sted-E & Hybrid Heights

[Verse]

I don't believe you that you don't want me (tick tock, tick tock)  
I don't believe that you can just walk away  
And if you don't think this is something (tick tock, tick tock)  
Then all I can do is kneel, kneel down and pray[Pre-Chorus]

I believe

I believe in love

I believe the light shine through your eyes  
While I wait for a sign, well baby that's fine

[Chorus]

But, why waste your time  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

Isn't it clear

You'll listen baby, then you will hear

You know just how I feel

You know you're gonna be

[Post-Chorus]

I believe[Verse]

I don't believe you wanna play stupid (tick tock, tick tock)  
I don't believe that you could just fade away  
And if you wanna [???] me [???] (tick tock, tick tock)  
Then all I can do is kneel, kneel down and pray[Pre-Chorus]

I believe

I believe in love

I believe the light shine through your eyes  
While I wait for a sign, well baby that's fine

[Chorus]

But, why waste your time  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

Isn't it clear

You'll listen baby, then you will hear

You know just how I feel

You know you're gonna be[Post-Chorus]

I believe[Bridge]

Come over here

Tell me just how you feel

It's gonna be so nice

Hold me all through the night

Come over here  
Don't you make me wait  
Don't you hesitate  
You're gonna be[Chorus]  
Why waste your time  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine  
Isn't it clear  
You'll listen baby, then you will hear  
You know just how I feel  
You know you're gonna be[Post-Chorus]  
I believe
