but she's been doubling up with us  
You, can't, man we've been messing with the same girl See I met her at this party in Atlanta  
Well I met her at this party in Chicago  
She came right up to me givin me conversation  
I said do you got a man she said no, with no hesitation  
Well it must be a music thing cause she said the same to me  
had her body all in my face, while I'm laughin and buyin her drinks  
She whispered in my ear and said can you take me home

me too  
Man she was in the Chi singin that same song  
is that true?  
And I thought it was true confessions when she said  
I love you  
Man I thought her body was calling when she said  
I want you  
See I even got some pictures on my phone  
Look there man she is with some boy shorts on We messing with the same girl same girl  
shes the apple of my eye, and my potential wife  
Same girl same girl  
Man I just can't believe that we've been messing round with the  
Same damn girl

Thought she someone that I can trust  
but she's been doubling up with both of us  
You, ayy can't, ayy man we've been messing with the same girl She said she got me on her  
ringtone  
Are you talking about the pink phone?

Man she told me that was turned off  
Its obvious that shes been playing us playing us  
cause constantly she's been lyin to us lyin to us  
Don't like the way that she's been goin bout it goin bout it  
Kells what you think that we should do about it do about it  
Call her up at her home, she won't know that Im on the phone  
Yeah man that's a plan  
Homie we about to bust this trick  
Man just tell her to meet up with you and Im gonna show up too  
And she won't know what to do  
We'll be standing there singin same girl same girl  
She's was the apple of my eye, and your potential wife  
Same girl same girl  
I can't believe we've been messing with the same girl  
Same girl same girl  
You, can't, man we've been messing with the same girl  
See she was taken flights  
going back and forth
