

Arms Around Me (feat. Digital Farm Animals)

Hook N Sling

All I need, ooh-hey, is your arms around me
All I need, ooh-hey, is your arms around me
So let me take you away, I'll do anything that you say
All I need, ooh-hey, is your arms around me
All I need, arms around
Arms around, arms around
Arms around, arms around
Arms around, arms around
All I need, arms around
Arms around, arms around
Arms around, arms around
Arms around, arms around
All I need, ooh-hey, is your arms around me
All I need, ooh-hey, is your arms around me
So let me take you away, I'll do anything that you say
All I need, ooh-hey, is your arms around me
All I need, arms around
Arms around, arms around
Arms around, arms around
Arms around, arms around
All I need, arms around
Arms around, arms around
Arms around, arms around
Arms around, arms around
