

# Shame

## Tyrese

I need your forgiveness  
And your mercy too  
I must be all kinda crazy  
For what I've done to you  
I hope you understand  
That my heart is true  
Mistakes, I've made em  
But I'm making a change for you  
Have I learned, that's your question  
And my answer I have  
But if you're expecting perfection  
Then we're not gonna last  
This is not an excuse  
I'm just telling the truth  
Baby, I'm so sorry  
For hurting you  
Oh, I'm ashamed of me (shame on me)  
Wish I never done you wrong (shame on me)  
Every night of us I dream that I wake up in your arms  
I know why you left me  
But since you've been gone  
My understanding  
Has moved and grown  
I've come to this conclusion  
Over and over again  
I don't want an enemy  
I just want back my friend  
Oh, I'm ashamed of me (shame on me)  
I wish I never done you wrong (shame on me)  
Every night of us I dream that I wake up in your arms  
yea!  
Wish I could say sorry  
Oh will you come back home  
Hey, baby, yeah  
I was dumb as can do it  
So I wouldn't have to be alone  
Yeah, hey  
If I knew then what I know now  
Everything would be (fine)  
Yeah, yeah, yeah  
I'm so ashamed, ashamed of me (shame on me)  
Said I wish I never done you wrong (shame on me)  
Every night of us I dream that I wake up in your arms  
(I'm ashamed of me)  
I'm ashamed of me, yeah (shame)  
Im ashamed of all the lies i've told (shame)  
Wish I come home wish I come home midnight (shame)  
Girl I wish I never?, oh Lord (shame)

Said I'm ashamed, (shame)  
Baby I thought there was something better out there for me yea  
Come home babe  
What I supposed to do with these kids  
Baby, I'm ashamed  
I'm so sorry, babe  
I'm so sorry
