Hot Chip

Everybody's whistling the Hot Chip sound
People hear the beat and then their bodies move around
When the ground's shaking then you know you've felt the bass
Then the singing starts and they proceed to wreck the placeEverybody's whistling the Hot Chip
sound

People hear the beat and then their bodies move around
When the ground's shaking then you know you've felt the bass
Then the singing starts and they proceed to wreck the placeI don't, I don't know the deeds to
bring the goods to me

I know we have got the goods to bring them to their knees
I don't, I don't know the deeds to bring the goods to me
I know we have got the goods to bring them to their knees
I do proclaim, I do proclaimEverybody's whistling the Hot Chip sound
People hear the beat and then their bodies move around
