

Let It All Go (feat. Álvaro Soler)

Birdy

I've been sleepless at night
Cause I don't know how I feel
I've been waiting on you
Just to say something real There's a light on the road
And I think you know
Morning has come and I have to go I don't know why, I don't know why
We need to break so hard
I don't know why we break so hard But if we're strong enough to let it in
We're strong enough to let it go If I look back to the start Now I know, I see everything
true There's still a fire in my heart, my darling
But I'm not burning for you
We started it wrong and I think you know We waited too long, now I have to go
I don't know why, I don't know why
We need to break so hard
I don't know why we break so hard
But if we're strong enough to let it in
We're strong enough to let it go
Let it all go, let it all go, let it all out now
Let it all go, let it all go, let it all out now
Who says, who says
Who says, who says
Who says truth is beauty after all
And who says love should break us when we fall
But if we're strong enough to let it in
We're strong enough to let it go
Let it all go, let it all go, let it all out now
Let it all go, let it all go, let it all out now
