

# Lover (feat. Shawn Mendes)

Taylor Swift

We could leave the Christmas lights up 'til January  
This is our place, we make the rules  
And there's a dazzling haze, a mysterious way about you, dear  
Have I known you twenty seconds or twenty years? Can I go where you go?  
Can we always be this close forever and ever?  
And oh, take me out and take me home  
You're my, my, my, my  
Lover We could let our friends crash in the living room  
This is our place, we make the call  
And I'm highly suspicious that everyone who sees you wants you  
I've loved you three summers now, honey, but I want 'em all  
Can I go where you go?  
Can we always be this close forever and ever?  
And oh, take me out and take me home (Forever and ever)  
You're my, my, my, my  
Lover Ladies and gentlemen, will you please stand?  
With every guitar string scar on my hand  
I take this magnetic force of a man to be my  
Lover  
My heart's been borrowed and yours has been blue  
All's well that ends well to end up with you  
Swear to be over-dramatic and true to my  
Lover And you'll save all your dirtiest jokes for me  
And at every table, I'll save you a seat  
Lover  
Can I go where you go?  
Can we always be this close forever and ever?  
And oh, take me out and take me home (Forever and ever)  
You're my, my, my, my  
Oh, you're my, my, my, my  
Darling, you're my, my, my, my  
Lover
