

# Deeper (feat. James Fauntleroy)

## Omarion

This is gonna take  
Some getting used to  
some getting used to  
Hittin' you up and then pickin' you up and then hittin' the beach til like four  
Soon as I get to my door,  
Got yo hands down on my, Dance down on my  
Sand down on my floor  
Castles up in my bedroom  
Waves flow through yo body  
Eyes are asking for more and more  
and more I'm up on the shore  
If you need me to rescue,  
I'll be there for sure  
Head first girl I'm diving, your water is so pure  
All I want is a lil more  
I'm not afraid  
To go in even though this is getting deep  
Yeah, it's getting deeper  
It's getting deeper  
Shit gets deep when you're in love  
Ohhh  
Let's go .  
Deeper Don't stop and your clothes off and your towel's under the door  
Roll up, then we soar  
I'm so in love with you that's why the whole room look like a storm  
Bathing suit in my bedroom  
Don't know what that's for  
Eyes are asking for more and more and more  
All up in your shore  
If you need me to rescue  
I'll be there for sure  
Head first girl I'm diving, your water is so pure  
All I want is a lil more I'm not afraid  
To go in even though this is getting deep  
Yeah, it's getting deeper  
Its getting deeper  
Shit gets deep when you're in love  
Ohh  
Let's go .  
Deeper Hell yeah, girl, I'm ready  
Yeah I'm ready for her, ready for her  
Hell yeah, girl, I said it

Yeah I'm ready for her, ready for her  
Hell yeah, let's get married  
Yeah I'm ready for, ready for whateva  
On the beach yeah we did it  
Right in front of the whole city  
NowHell yeah, girl, I'm ready
