

# Never Keeping Secrets

## Babyface

I never meant to lie to you  
But I needed me an easy way out  
I couldn't face the truth with you  
Because I didn't want to lose my clout  
I always have been good to you  
Girl, I promise you that nothing has changed  
Momentary insanity  
Must be the reason why I did you that way, babe  
So now I'm telling everybody  
That I, that I know I was a fool  
To take a chance of ever losing  
And I can't take losing you So I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with you  
So I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with you I didn't want to lie to you  
But I didn't want to let you down  
It never did occur to me  
Sooner or later that you would find out  
You know how much I care for you  
And I would never want to cause you pain  
I know that there is no excuse  
How could I ever treat my bEiBy that way?  
That's why I'm telling everybody  
That I, that I know I was a fool  
But I don't give a damn about it  
'Cause I wanna get back with you, and  
So I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with you So I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you

No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with you bEiBy, you bEibyIf you wanna go I want you to know  
Girl, that I understand it but I don't recommend it  
'Cause I love you more, you can't ignore  
That I will die for you and even lay down my life for you  
Girl girl, I wanna see you standing next to me  
Girl, I apologize for each and every lie  
I, I want you to be the only one for me  
Forever and ever and ever and ever and everSo I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with youSo I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with youSo I'm never keeping secrets  
And I'm never telling lies  
I wanna make it up to you  
No, I'm never keeping secrets  
Girl, I swear it's all behind  
I only wanna be with you  
I only wanna be with you
