White Dress

Halestorm

I used to pray, tried to be perfect in every way
I used to care about what people say
I never questioned beyond picket fences
I'm not afraid about where I fit into the frame
Satisfied to drive in my own lane
Sick of denying, yesterday is dyingI'll never be, I'll never be
All of the things that you need me to be
You'll never see, you'll never see
That version of me
I'm not the girl in the white dress
I'm not your fairytale princess
I'm sorry, mama, that I made you cry
Some day you'll know the reason why
I'm not the girl in the white dress
I'm embracing my darkness
I'm really sorry that I let you down
But I'm still gonna make you proudClose your eyes, why don't you try to keep an open mind?
I hope you know how hard I really tried
It might be a hard truth but it's not about you
This is mine, so don't treat me like I'm a crime
My life, my lesson learned in time
I don't hold it against you, you're allowed to be youYou'll never see, you'll never see
That version of me
I'm not the girl in the white dress
I'm not your fairytale princess
I'm sorry, mama, that I made you cry
Some day you'll know the reason why
I'm not the girl in the white dress
I'm embracing my darkness
I'm really sorry that I let you down
But I'm still gonna make you proudI'll never be, I'll never be
All of the things that you need me to beI'm not the girl in the white dress
I'm not your fairytale princess
I'm sorry, mama, that I made you cry
Some day you'll know the reason why
I'm not the girl in the white dress
I'm embracing my darkness
I'm really sorry that I let you down
But I'm still gonna make you proud
