

# Back In Town

## Tuxedo

I've been out here on the grind  
I haven't had the time to say hello  
(I don't have time)  
But you stay on my mind  
And you're still looking fine  
Got to let you know  
(Still looking fine) Looking at your picture  
And I can't wait  
To be with you  
And now it's time to play And I'm back in town  
I want to dance tonight  
I want to feel alright  
And I've still got your number  
And I'm back in town  
I want to dance tonight  
I want to feel alright  
So call me on the under babe  
I've been all around the world  
Seen a lot of girls  
Never one like you  
(No one like you)  
And I know it's been a while  
But answer when I dial  
And I'll come right through  
(I'll come right through)  
We can have a toast to this intimate romance  
(Short term romance)  
And we'll make the most of what little time we have  
(The time we have) Looking at your picture  
And I can't wait  
To be with you  
And now it's time to play  
And I'm back in town  
I want to dance tonight  
I want to feel alright  
And I've still got your number  
And I'm back in town  
I want to dance tonight  
I want to feel alright  
So call me on the under Reservations cast aside  
'Cause we only have tonight  
And before our time is through

Want to take a chance on you And I'm back in town  
I want to dance tonight  
I want to feel alright  
And I've still got your number  
And I'm back in town  
I want to dance tonight  
I want to feel alright  
So call me on the under babe
