

# Kill My Vibe (feat. Tom G)

## XXXTENTACION

[XXXTENTACION:]

Yeah Okay, kill my vibe, yeah, yeah

You gon' die, yeah, yeah

Wrist on ice, ain't it nice?

Fuck the price, yeah, yeah

Kill my vibe, yeah, yeah

You gon' die, yeah, yeah

Wrist on ice, ain't it nice?

Fuck the price, yeah, yeah

[Tom G:]

Smoking high, it don't lie

I been that nigga like this whole time

Alarm clock, nigga was sleep 'til I iced my wrist

Now my charm's up

Street shit, that's my genre

Sippin' this drank like Starbucks

'Less you sharin' them cookies, babe, what the fuck you got in this car for? We grown

I keep a secret, fuck it, send you back home to your people

My nigga's trappin', and swipin' the Visa

Stackin' and flippin' you know the procedure

Now he shakin' like a seizure

Say you ballin', but we don't believe ya'

Bought the champagne for achievement

Shoot the pistol, just give me a reason

[XXXTENTACION:]

Okay, kill my vibe, yeah, yeah

You gon' die, yeah, yeah

Wrist on ice, ain't it nice?

Fuck the price, yeah, yeah

Kill my vibe, yeah, yeah

You gon' die, yeah, yeah

Wrist on ice, ain't it nice?

Fuck the price, yeah, yeah [Tom G:]

I'm so high, I'm so fly, I'm so lit

Man, my jeweler ice me like a game of freeze tag, and I'm it

Y'all niggas duck-duck-goose

Your bitch love me, and I love her too

She text me heart, ass, and a tongue emoji

I bend it over, enjoy the moment

Then catch a flight

Hating on niggas like bugs, the crib full of pesticides

I'm gettin' extra racks, I rep the set for life, yeah, yeah

We got the streets on lock, eternal sleep for opps  
Tell me to pull up and and cock  
V12 what we slide, they wanna kill a nigga vibe[XXXTENTACION:]
