

Blood and Fire

With Blood Comes Cleansing

The sun will blacken and the moon become as blood
The stars will fall from space
People will flee to the mountains
To hide their bodies from His face
The sun will blacken and the moon become as blood
The stars will fall from space
The day of His wrath will come on wicked men
The day of His wrath will come, who shall stand?
The day of His wrath will come on wicked men
The day of His wrath will come, who shall stand?
Blood and fire shall burn the earth
Blood and fire shall burn the earth
Woe to those who inhabit the earth
In His wrath they won't stand
Woe to those who inhabit the earth
In His wrath they won't stand
The day of His wrath will come on wicked men
The day of His wrath will come, who shall stand?
The day of His wrath will come on wicked men
The day of His wrath will come, who shall stand?
Soon the mountain will be burning with fire
Soon the water will turn bitter
Soon the mountain will be burning with fire
Soon the water will turn bitter
The day of His wrath will come on wicked men
The day of His wrath will come, who shall stand?
The day of His wrath will come on wicked men
The day of His wrath will come, who shall stand?
Blood and fire shall burn the earth
Blood and fire shall burn the earth
