Old Yellow Moon

Emmylou Harris & Rodney Crowell

We are
Counting the stars
Out in the night
Round an old yellow moonWith you
Right by my side
I got nothing to hide
From an old yellow moonAnd now
As I turn back the years
So little I've learned
About heartache and tears
(Chorus)
But still
I'm making my way

I'm making my way
Into the heart

Of an unknown highwayWe are

Following stars

Way cross the sky

Round an old yellow moon(Chorus)

But still

I'm making my way

Into the heart

Of an unknown highway

We are

Counting the stars

Out in the night

Round an old yellow moonOut in the night

Round an old yellow moon
