## **Old Yellow Moon**

## **Emmylou Harris & Rodney Crowell**

We are Counting the stars Out in the night Round an old yellow moonWith you Right by my side I got nothing to hide From an old yellow moonAnd now As I turn back the years So little I've learned About heartache and tears (Chorus) But still I'm making my way Into the heart Of an unknown highwayWe are Following stars Way cross the sky Round an old yellow moon(Chorus) But still

I'm making my way
Into the heart
Of an unknown highway

Or an unknown nignway

We are

Counting the stars

Out in the night

Round an old yellow moonOut in the night

Round an old yellow moon
