New Year's Day

Pentatonix

Tonight, the apple falls in Time We'll sing along with Auld Lang Syne And throw confetti high up into space Tomorrow morning when we wake This town will be a different place And the past will wash away like coffee stains We could be kings of the world On top of the nation It's a celebration of the moments to come The city's on fire We're holding up lighters Raising them higher and we've only begun Take me all the way Hear me when I say Let's kiss the past away Like New Year's Day Take me all the way Hear me when I say It's time to celebrate Like New Year's Day Another year with deep divine We'll play it back in slow rewind And laugh about the cold and bitter nights We'll route our way on maps of stars Hold on tight to fragile hearts And keep our friends forever by our side We could be kings of the world On top of the nation It's a celebration of the moments to come The city's on fire We're holding up lighters Raising them higher and we've only begun Take me all the way Hear me when I say Let's kiss the past away Like New Year's Day Take me all the way Hear me when I say It's time to celebrate Like New Year's Day Morning breaks, take my hand Wide awake with arms wide open

Catch your breath, walk this way No regrets on New Year's Day Morning breaks, take my hand (Kings of the world, top of the nation) Wide awake with arms wide open (It's a celebration of the moments to come) Catch your breath, walk this way (City's on fire, holding up lighters) No regrets on New Year's Day (Raising them higher, we've only begun) We are kings of the world On top of the nation It's a celebration of the moments to come The city's on fire We're holding up lighters Raising them higher and we've only begun

Take me all the way

Hear me when I say

Let's kiss the past away

Like New Year's Day

Take me all the way

Hear me when I say

It's time to celebrate

Like New Year's Day

Take me all the away

Hear me when I say

Let's kiss the past away

Like New Year's Day

Take me all the way

Hear me when I say

It's time to celebrate

Like New Year's Day
