Higher Love

Steve Winwood

Think about it, there must be higher love Down in the heart or hidden in the stars above

Without it, life is wasted time

Look inside your heart, I'll look inside mineThings look so bad everywhere

In this whole world, what is fair?

We walk blind and we try to see

Falling behind in what could be Bring me a higher love

Bring me a higher love, oh

Bring me a higher love

Where's that higher love, I keep thinking of? Worlds are turning and we're just hanging on Facing our fear and standing out there alone

A yearning, and it's real to me

There must be someone who's feeling for me

Things look so bad everywhere

In this whole world, what is fair?

We walk blind and we try to see

Falling behind in what could be Bring me a higher love

Bring me a higher love, oh

Bring me a higher love

Where's that higher love, I keep thinking of?Bring me a higher love

Bring me a higher love, oh

Bring me a higher love

I could rise above on a higher loveI will wait for it, I'm not too late for it

Until then, I'll sing my song

To cheer the night along

I could light the night up with my soul on fire

I could make the sun shine from pure desire

Let me feel that love come over me

Let me feel how strong it could be Bring me a higher love

Bring me a higher love, oh

Bring me a higher love

Where's that higher love, I keep thinking of?Bring me a higher love

Bring me a higher love, oh

Bring me a higher love
