## O My My

## Ani DiFranco

your body foreshortened below your shoulders your face so close it's out of focus way down the hallway comes the sound of your shoes that is what i what i think about when i think about you if we let our love off of its leash do you fear, like i fear how fierce it could be?your headlights sweeping across my ceiling the breadth of my smile now the depth of my feeling way down in my dark life a shaft of your light shines through and that is what i what i think about when i think about you if we let our love off of its leash do you fear, like i fear how fierce it would be?o my my Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
