

# One In a Million

## The Romantics

Something about you  
Makes me wanna keep on loving you  
When I'm without you  
I feel I need you back in my arms I get a sensation  
I feel whenever I'm around you  
You're my inspiration  
And I'm so glad I found you One in a million, baby you're the one  
One in a million, and you're second to none  
One in a million, a million to one  
You're one in a million When I first saw you  
I had a feeling right from the start  
In love I was falling  
You seemed to do things to my heart  
Your love and affection  
Is all I need to keep me satisfied  
You leave an impression  
Baby I never wanna leave you One in a million, baby you're the one  
One in a million, second to none  
One in a million, a million to one  
You're one in a million Something about you  
Makes me wanna keep on loving you  
When I'm without you  
I feel I need you back in my arms I get a sensation  
I feel whenever I'm around you  
You're my inspiration  
And I'm so glad I found you  
One in a million, baby you're the one  
One in a million, and you're second to none  
One in a million, a million to one  
You're one, one in a million One in a million, baby you're the one  
One in a million, and you're second to none  
One in a million, one in a million baby  
You know you are One in a million, baby you're the one
