

Reaction (feat. Leah Culver)

Adventure Club

I'm down, down, down for the distraction.
I'm not having just a fraction.
A road, a road that gives me traction.
A couple of steps, before I can't turn back. I'm losing sight.
These lies don't look right.
But i love the bite.
Shadows ahead.
The famous silhouette,
Searched me right. Oh no.
I'm havin' a, havin' a reaction.
Oh no.
So wake up, wake me when it's over.
Oh no.
I'm havin' a, havin' a reaction.
Oh no.
I think I'm havin' a reaction.
A reaction.
I think I'm havin' a reaction.
A reaction.
I think I'm havin'...I think I'm havin' a...
I think I'm havin' a...
I think I'm havin' a...
I think I'm havin' a...
I think I'm havin' a...
I think I'm havin' a...
I think I'm havin' a...
I think.
I think.
I think.
I think.
I think I'm havin' a reaction.
A reaction.
I think I'm havin' a reaction.
A reaction.
I think I'm havin'...I think I'm havin' a reaction. I think I'm havin' a reaction.
