The Keeper of the Stars

Tracy Byrd

It was no accident me finding you Someone had a hand in it Long before we ever knew Now I just can't believe you're in my life Heaven's smilin' down on me As I look at you tonightI tip my hat to the keeper of the stars He sure knew what he was doin' When he joined these two hearts I hold everything When I hold you in my arms I've got all I'll ever need Thanks to the keeper of the stars Soft moonlight on your face oh how you shine It takes my breath away Just to look into your eyes I know I don't deserve a treasure like you There really are no words To show my gratitude So I tip my hat to the keeper of the stars He sure knew what he was doin' When he joined these two hearts I hold everything When I hold you in my arms I've got all I'll ever need Thanks to the keeper of the starsIt was no accident me finding you Someone had a hand in it Long before we ever knew Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
