

A.M.

One Direction

Won't you stay 'til the A.M.?
All my favourite conversations
Always made in the A.M., yeah Feels like this could be forever tonight
Break these clocks forget about time
There could be world war 3 going on outside You & me were raised in the same part of town
Got these scars on the same ground
Remember how we used to kick around just wasting time? Won't you stay 'til the A.M.? All my
favourite conversations
Always made in the A.M., cause we don't know what we're saying
We're just swimming around in our glasses & talking out of our asses
Like we're all gonna make it, yeah, yeah
Feels like this could be forever right now
Don't wanna sleep cause we're dreaming out loud
Trying to behave but you know that we never learned how You & me were raised in the same
part of town
Got these scars on the same ground
Remember how we used to kick around just wasting time? Won't you stay 'til the A.M.? All my
favourite conversations
Always made in the A.M., cause we don't know what we're saying
We're just swimming around in our glasses & talking out of our asses
Like we're all gonna make it, yeah, yeah You know, I'm always going back to this place
You know & I said
You know, I'm always going look for your face
You know... Won't you stay till the A.M.? All my favourite conversations
Always made in the A.M., cause we don't know what we're saying
We're just swimming around in our glasses & talking out of our asses
Like we're all gonna make it, yeah yeah Won't you stay 'til the A.M.?
You know, I'm always going back to this place
Won't you stay 'til the A.M.?
You know & I said
Won't you stay 'til the A.M.?
You know, I'm always going look for your face Won't you stay 'til the A.M.? Yeah, yeah
