## Unwritten

## Natasha Bedingfield

I am unwritten

Can't read my mind

I'm undefined

I'm just beginning

The pen's in my hand

Ending unplannedStaring at the blank page before you

Open up the dirty window

Let the sun illuminate the words

That you could not find

Reaching for something in the distance

So close you can almost taste it

Release your inhibitions

Feel the rain on your skin

No one else can feel it for you

Only you can let it in

No one else, no one else

Can speak the words on your lips

Drench yourself in words unspoken

Live your life with arms wide open

Today is, where your book beginsThe rest is still unwrittenYeah

Oh, oh

I break tradition

Sometimes my tries

Are outside the lines

We've been conditioned

To not make mistakes

But I can't live that way, ohStaring at the blank page before you

Open up the dirty window

Let the sun illuminate the words

That you could not find

Reaching for something in the distance

So close you can almost taste it

Release your inhibitions

Feel the rain on your skin

No one else can feel it for you

Only you can let it in

No one else, no one elseCan speak the words on your lips

Drench yourself in words unspoken

Live your life with arms wide open

Today is where your book begins

The rest is still unwritten

Oh, oh

Staring at the blank page before you Open up the dirty window Let the sun illuminate the wordsThat you could not find Reaching for something in the distance So close you can almost taste itRelease your inhibitions Feel the rain on your skin No one else can feel it for you Only you can let it in No one else, no one else Can speak the words on your lips Drench yourself in words unspoken Live your life with arms wide open Today is where your book begins The rest is still unwritten The rest is still unwritten The rest is still unwritten
