

Closer

Tegan and Sara

All I want to get is, a little bit closer
All I want to know is, can you come a little closer? Here comes the breath before we get, a little
bit closer

Here comes the rush before we touch, come a little closer The doors are open, the wind is really
blowing

The night sky is changing overhead It's not just all physical

I'm the type who won't get oh so critical

So let's make things physical

I won't treat you like you're oh so typical

I won't treat you like you're oh so typical All you think of lately is getting underneath me

All I dream of lately is how to get you underneath me

Here comes the heat before we meet, a little bit closer

Here comes the spark before the dark, come a little closer The lights are off and the sun is
finally setting

The night sky is changing overhead It's not just all physical

I'm the type who won't get oh so critical

So let's make things physical

I won't treat you like you're oh so typical

I want you close, I want you

I won't treat you like you're typical

I want you close, I want you

I won't treat you like you're typical Here come the dreams of you and me

Here come the dreams

Here come the dreams of you and me

Here come the dreams

It's not just all physical

I'm the type who won't get oh so critical

So let's make things physical

I won't treat you like you're oh so typical

I want you close, I want you

I won't treat you like you're typical

I want you close, I want you

I won't treat you like you're typical

I won't treat you like you're typical

I won't treat you like you're typical All I want to get is, a little bit closer

All I want to know is, can you come a little closer?
