

Don't Know Much (with Aaron Neville)

Linda Ronstadt

Look at this face
I know the years are showing
Look at this life
I still don't know where it's going I don't know much
But I know I love you
And that may be all I need to know Look at these eyes
They never see what matters
Look at these dreams
So beaten and so battered...I don't know much
But I know I love you
That may be all I need to know
So many questions
Still left unanswered
So much I've never broken through And when I feel you near me
Sometimes I see so clearly
The only truth I'll ever know
Is me and you...Look at this man
So blessed with inspiration
Look at this soul
Still searching for salvation I don't know much
But I know I love you
And that may be all I need to know I don't know much
But I know I love you
That may be all I need to know
I don't know much
But I know I love you
That may be all there is
To know Woah-woah-ah.
