

The Fire (feat. John Legend)

The Roots

Ohh, the fire, the fire
Ohh, the fire, the fire There's something in your heart
And it's in your eyes
It's the fire, inside you
Let it burn You don't say good luck
You say, "Don't give up"
It's the fire, inside you
Let it burn Yeah, and if I'm ever at the crossroads
And start feeling mixed signals like Morse code
My soul start to grow colder than the North Pole
I try to focus on the hole of where the torch goes
In the tradition of these legendary sports pros
As far as I can see, I've made it to the threshold
Lord knows I've waited for this a lifetime
And I'm an icon when I let my light shine Shine bright as an example of a champion
Taking the advantage, never copping out or cancelling
Burn like a chariot, learn how to carry it
Maverick, always above and beyond average Fuel to the flame that I train with and travel with
Something in my eyes say I'm so close to having the prize
I realize I'm supposed to reach for the skies
Never let somebody try to tell you otherwise There's something in your heart
And it's in your eyes
It's the fire, inside you
Let it burn
You don't say good luck
You say, "Don't give up"
It's the fire, inside you
Let it burn One love, one game, one desire
One flame, one bonfire, let it burn higher
I never show signs of fatigue or turn tired
'Cause I'm the definition of tragedy turned triumph It's David and Goliath, I made it to the eye of
the storm
Feeling torn like they fed me to the lions
Before my time start to wind down like the Mayans
I show 'em how I got the grind down like a science It sounds like a riot on hush, it's so quiet
The only thing I hear is my heart, I'm inspired
By the challenge that I find myself standing eye to eye with
Then move like a wise warrior and not a coward You can't escape the history that you was
meant to make
That's why the highest victory is what I'm meant to take
You came to celebrate, I came to sever great
I hate losing, I refuse to make the same mistake Ohh, the fire, the fire

Ohh
There's something in your heart
(The fire)
There's something in your heart
(The fire)
There's something in your heart
And it's in your eyes
It's the fire, inside you
Let it burn
You don't say good luck
You say, "Don't give up"
It's the fire, inside you
Let it burn
Ohh, the fire inside you
The fire inside you
The fire inside you
The fire inside you
