

# Actress

Jim James

You're good at making everyone believe that they love you  
A little wink of the eye a little glimpse of the thigh and we're in heaven  
Whether or not it's true  
I believe in the concept of you  
With personality  
Destructing reality Oh that dress the fact is  
I believe in the myth and the legend  
No reality  
Don't believe in everything  
I believe in a heightened emotion  
Truth stings  
And in a blink of an eye  
Your life changes  
What I came to know is you  
Had been replaced by something new  
Oh what an actress Whether or not it's true  
I believe in the concept of you  
With personality  
Destruct my reality Oh actress the fact is  
I believed in the myth and the legend  
Thought I knew reality  
but you were training to be  
Lost in a fantasy  
Oh actress the fact is  
I believe in the myth and the legend  
A new reality  
And I believe in everything  
Swayed by a sense of devotion
