

# Walk Away (feat. Donae'o & Konshens)

Charlie Sloth

I've known you for a lifetime baby  
I know you are my lifeline baby  
I don't want to see you walk away  
I don't want to see you walk away  
I know that we may fight sometimes  
And we may never see eye 2 eye  
I don't want to see you walk away  
I don't want to see you walk away  
When we're maybe no going through the best type 'A' time  
And what I'm saying might not be the best type of lines  
But if you stick around it will be worth it  
If you hold me down ill make it worth it  
And every time that we argue  
Me tell you leave if you want too  
But god knows if you go  
Half of my life gone too  
So, stick around and make me fix it  
Baby we have to find a way to work it  
You know my love you suh and  
I know me know you love me too  
So we can't, mash up, broke up  
nothin, nuh go so  
Just so  
Nothin in life worth keeping no easy  
Baby girl you know you said you need me  
So hold on to me  
Don't let me go baby  
Whenever you no see me  
Save up the love for me  
Getting better with age every year  
Like fine wine  
It feels like  
I've known you for a lifetime baby  
I know you are my lifeline baby  
I don't want to see you walk away  
I don't want to see you walk away  
I know that we may fight sometimes  
And we may never see eye 2 eye  
I don't want to see you walk away  
I don't want to see you walk away I've known you for a lifetime baby  
I know you are my lifeline baby  
I don't want to see you walk away

I don't want to see you walk away  
I know that we may fight sometimes  
And we may never see eye 2 eye  
I don't want to see you walk away  
I don't want to see you walk away  
Baby
