

This Groove

Oliver Heldens & LENNO

Every time I hear this groove
It makes me want to move
Must be the feeling it brings to you That makes you do what you do Every time I hear this groove
It makes me want to move
Must be the feeling it brings to you
That makes you do what you do
Time to groove
Time to groove
Every time I hear this groove
It makes me want to move
Must be the feeling it brings to you
That makes you do what you do It's time to move (time to groove)
Time to get loose anywhere you are
It's time to groove (time to groove, me and you)
Out there on the floor Every time I hear this groove
It makes me want to move
Must be the feeling it brings to you
That makes you do what you do
Every time I hear this groove
It makes me want to move
Must be the feeling it brings to you
That makes you do what you do
Time to groove
Time to groove
Every time I hear this groove
It makes me want to move
Must be the feeling it brings to you
That makes you do what you do
