

Pretty Thing

Jamie Foxx

Yeah, Jamie Foxx, Mustard on the beat hoI can make you feel it if you really ready
Cause we loving something that you get to choose
But when I hit you, ooh you know you can't help it
There's nothing like this situation with youI wanna love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
I wanna love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
Baby I, I, girl I got no jokes for ya
I can't lie
Baby I, I, feel it in my bones for ya
I just can't get rightI know the question's on your mind been kinda heavy
But if you ask me girl I swear to tell the truth
Your friends say I'll hurt you cause they jealous
They hate to see you doing better than they do
I wanna love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
I wanna love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
Baby I, I, girl I got no jokes for ya
I can't lie
Baby I, I, feel it in my bones for ya
I just can't get right
